

# The Pretty Reckless, Heart

Never Wanted to feel  
Never wanted to feel my heart  
Never wanted to go  
Never wanted to show i'm weak  
I'm fallen all over myself  
Tryin to be someone else  
I Wish you had said you'd walked me home  
I don't wanna have to be alone  
Always wanted to be  
Always wanted to see my heart  
Always wanted you're love  
Always wanted but never was  
I'm fallen all over myself  
Tryin to be someone else  
I Wish you had said you'd walked me home  
I don't wanna have to be alone  
I'm fallen all over myself  
Dyin' to be someone else  
I wish you had said you'd walk me home  
I dont wanna fight the world alonnnneeeee. . .
