The Pretty Reckless, Take Me Down

Been waitin at these crossroads Forever and a day On a guy to buy my soul

I spend all night and day How much harder can I play You know I gave my life to Rock n' Roll

Here we go

Momma begged me please Yes she got down on her knees Said 'You'll burn in that Mississippi sun' But I'm the only one that's standing here So Mama don't you have no fear I'm either last or I've already won..

Here I go

Take me down (won't you)

Standing at the crossroads A dried up pen in hand The conversation went like this 'Tell me your desire why you pulled me from the fire and we'll seal the deal with a kiss' said 'I wanna raise the dead Find a note that I can shred On my walls I scrawl my gods Don't care what happens when I die As long as I'm alive All I wanna do is Rock'

Take me down (won't you)

Sign with the devil

Take me down (won't you)
