The Psychedelic Furs, Heartbreak Beat

I'm a heartbreak beat Yeah, all night long And nobody don't dance on the edge of the dark We've got the radio on And it feels like love But it don't mean a lot And it feels like love And it s all that we've got

There's a heartbreak beat playin' all night long Down on my street And it feels like love got the radio on And it's all that we need There's a heartbreak beat And it feels like love There's a heartbreak beat And it feels like love

Well the beat don't stop We talk so tough And there's a perfect kiss, somewhere out in the dark But a kiss ain't enough And the world don't stop Every time that you call And the world don't stop Every time that you fall

There's a heartbreak beat playin' all night long Down on my street And it feels like love got the radio on And it's all that we need There's a heartbreak beat And it feels like love There's a heartbreak beat And it feels like love

I'm a heartbreak beat Yeah, all night long And nobody don't dance on the edge of the dark We've got the radio on And it feels like love But it don't mean a lot And it feels like love And it s all that we've got

There's a heartbreak beat playin' all night long Down on my street And it feels like love got the radio on And it's all that we need There's a heartbreak beat And it feels like love There's a heartbreak beat And it feels like love

There's a heartbreak beat I'm a heartbreak beat I'm a heartbreak beat I'm a heartbreak beat
