The Pussycat Dolls, Halo

I can make love feel just like heaven
I can be a little devil in bed and
Even clean and cook your breakfast
But I'm not perfect
I can take off when you need down time
I can cheerlead for you from the sideline
Whisper in your ear so divine
But I'm not perfect

[Chorus]
I hope you can forgive me for all of the mistakes Ive made
Be patient with me baby, I'm just trying to make my way
I'm not a superhero so when you gonna save the day
But believe me when I say...
That I'm sorry I couldnt wear your
Halo, halo, halo, halo
Sorry I couldnt be your
Angel, angel, angel, angel
I'm sorry I couldnt wear your
Halo, halo, halo, halo
I'm sorry I didnt stroke your
Ego, ego, ego oh no
I'm sorry, but I guess wasnt able
Sorry I couldnt wear your halo

I know how to put your mind at ease
I can kiss you for all four season
Surprise you for no reason
But I'm not perfect...no
Fall on my knees and pray for our love
Promise not to let anything come between us
How could you let us fall apart all because I'm not perfect

[Chorus]
I hope you can forgive me for all of the mistakes Ive made
Be patient with me baby, I'm just trying to make my way
I'm not a superhero so when you gonna save the day
But believe me when I say...
That I'm sorry I couldnt wear your
Halo, halo, halo, halo
Sorry I couldnt be your
Angel, angel, angel, angel
I'm sorry I couldnt wear your
Halo, halo, halo, halo
I'm sorry I didnt stroke your
Ego, ego, ego, oh no
I'm sorry, but I guess wasnt able
Sorry I couldnt wear your halo
(Sorry I couldnt wear your halo) (Halo, halo)

It was like you never knew my heart
I swear sometimes you are so hard on me
Cause am not everything that you want me to be
I'm so sorry, I didnt want you to see me this way
I'm so sorry, I didnt mean to fall from grace
I didnt mean to fall from grace

Halo, halo, halo, halo
Sorry I couldnt be your
Angel, angel, angel, angel
I'm sorry I couldnt wear your
Halo, halo, halo, halo
I'm sorry I didnt stroke your
Ego, ego, ego, oh no

I'm sorry, but I guess wasnt able
Halo, halo
