

# The Queers, Sidewalk Surfer Girl

Little sidewalk surfer girl  
Show me how to shoot the curls  
I've been watching you  
And all the things you do  
You got me in a whirl  
Sidewalk surfin' girl

Little sidewalk surfer girl  
Now you're going 'round the world  
Girl, you sure look sweet  
Surfin' down the street  
You got me in a whirl  
Sidewalk surfin' girl

So grab your little board  
And take it for a ride  
No matter if you fall  
I'll be by your side
