

# The Queers, Tic Tic Toc

Tic tic toc,  
My heart is in hock.  
Just after one look, I was hooked.  
Oh yeah - sha, na, na, na, na

Just one kiss.  
I never knew this.  
I never knew love was a beautiful thing,  
And now I sing, I say, okay.

She looks so beautiful that it takes  
My breath away.  
She looks so pretty now that I hear  
Myself say, go!
