

The Queers, Tic Tic Toc

Tic tic toc,
My heart is in hock.
Just after one look, I was hooked.
Oh yeah - sha, na, na, na, na

Just one kiss.
I never knew this.
I never knew love was a beautiful thing,
And now I sing, I say, okay.

She looks so beautiful that it takes
My breath away.
She looks so pretty now that I hear
Myself say, go!
