

The Radios, She Goes Nana

She's like a rainbow
Sways while she glows
Moves like a river
Turns while she flows Uuh yeah

And then she steals your heart away
She's taking it all someday I'll make her mine yeah
You look into her angel eyes
The cherry red sun will rise and love will shine

CHORUS

When she goes nana nana
Colors will keep on turning
Shimmering by like a rainbutterfly
Cruising the blue blue sky

Oh she
Shines like a flower
Fades while she grows Uuh yeah

And then she wipes your tears away
She's holding your hand someday like lovers do uuhhh
You hesitate another while
She's showing her magic smile and dreams come true

CHORUS

She's on the run
Flies on and on
She's cruising the sky my friend
And in the end she goes
She goes nanana

Nana nana nana nana
Colors will keep on turning
Shimmering by like a rainbutterfly
Cruising the blue blue sky
