

The Ramones, Heidi Is A Headcase

Headcase baby She's a cool kind of crazy
Wild and she's willing Into early Dylan

She drives me crazy, oh yeah, ooh ooh yea

When I look into her big brown eyes I'm so glad to know she's mine
My little headcase, yeah Ooh, ooh, yeah, my little headcase, yeah
Ooh, ooh, yeah

Heidi is a headcase, a rebel and a rouser Cranks up her Rickenbacker
Blasts away for hours What's she doin' now on the escalator
Snorting up some speed on the picture of or Stiv Bators

What 'cha doin'?

When I look into her big brown eyes I'm so glad to know she's mine
My little headcase, yeah Ooh, ooh, yeah, my little headcase, yeah
Ooh, ooh, yeah

Ooh, baby baby, whatever you do now Don't ever go away

Ooh, baby baby, whatever you do now Don't you ever go astray
Don't you ever go away - ooh, ooh, yea
Don't you ever go away - ooh, ooh, yea

Heidi is a headcase Heidi is a headcase
Heidi is a headcase Heidi is a headcase
