

# The Rasmus, October And April

She was like April sky  
Sunrise in her eyes  
Child of light, shining star  
Fire in her heart  
Brightest day, melting snow  
Breaking through the chill  
October and april

He was like frozen sky  
In October night  
Darkest cloud in the storm  
Raining from his heart?  
Coldest snow, deepest chill?  
Tearing down his will?  
October and April

Like hate and love  
World's apart  
This fatal love was like poison right from the start  
Like light and dark  
World's apart  
This fatal love was like poison right from the start

We were like loaded guns  
Sacrificed our lives  
We were like love and - undone?  
Craving to entwine  
Fatal torch  
Final thrill  
Love was bound to kill  
October and April

Hate and love  
World's apart  
Light and Dark  
World's apart  
This fatal love was like poison right from the start  
October and April  
October and April  
October and April
