

# The Rasmus, Sophia

I'm lost, I'm alone  
I wish I had a bone  
Long 'n' wide white you know, what I'm talking about, just a fine bite  
I wish I had a home  
To cover me at night, yeh  
I make a wish again that it would be summertime, I'd be fine  
I I I I!

Any other time I'm fine in the morning  
I can hear the winter's crawling  
I wish another time that it would be summertime  
I can see that leaves are falling x2  
yeh  
Sophia x2

I wish I had a life  
oh yes, I'm gonna fight  
Though I got fleas, you know, I wanna be a part of your life  
I wish I was fine  
I'm living like a mutt  
Though I got fleas I know, I'm not waisting my time  
I I I I!

Any other time I'm fine in the morning  
I can hear the winter's crawling  
I wish another time that it would be summertime  
I can see that leaves are falling x2  
yeh  
Sophia x2

Don't loose me, hey Sophia choose me! x6
