

The Rasmus, Sophia

I'm lost, I'm alone
I wish I had a bone
Long 'n' wide white you know, what I'm talking about, just a fine bite
I wish I had a home
To cover me at night, yeh
I make a wish again that it would be summertime, I'd be fine
I I I !

Any other time I'm fine in the morning
I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling x2
yeh
Sophia x2

I wish I had a life
oh yes, I'm gonna fight
Though I got fleas, you know, I wanna be a part of your life
I wish I was fine
I'm living like a mutt
Though I got fleas I know, I'm not waisting my time
I I I !

Any other time I'm fine in the morning
I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling x2
yeh
Sophia x2

Don't loose me, hey Sophia choose me! x6
