

The Rasmus, Time To Burn

Come on
Fear of the dark tears me apart
Wont leave me alone and time keeps running out
Just one more life, I'm so sick and tired
Of singing the blues, I should turn my life around
Come on

Tell me why do I feel this way
All my life I've been standing on the borderline
Too many bridges burned
Too many lies Ive heard
Had a life but I cant go back
Cant do that, it will never be the same again
And I know I dont
Have any time to burn
Come on

They follow me home, disturbing my sleep
But Ill find a place, A place where they cannot find me
Maybe Im lost, and maybe Im scared
But too many times Ive closed the doors behind me

Tell me why do I feel this way
All my life I've been standing on the borderline
Too many bridges burned
Too many lies Ive heard
Had a life but I cant go back
Cant do that, it will never be the same again
And I know I dont
Have any time to burn

Leave it all behind,
Cross the borderline,
Face the truth, dont have any time to
Have any time to burn

Tell me why do I feel this way
All my life I've been standing on the borderline
Too many bridges burned
Too many lies Ive heard
Had a life but I cant go back
Cant do that, it will never be the same again
Gotta go, cause I know I dont,
Have any time to burn

Tell me why do I feel this way
All my life I've been standing on the borderline
Too many bridges burned
Too many lies Ive heard
Had a life but I cant go back
Cant do that, it will never be the same again
And I know I dont
Have any time to,
Have any time to burn
Come on
