

# The Rasmus, Time To Burn

Come on  
Fear of the dark tears me apart  
Wont leave me alone and time keeps running out  
Just one more life, I'm so sick and tired  
Of singing the blues, I should turn my life around  
Come on

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies Ive heard  
Had a life but I cant go back  
Cant do that, it will never be the same again  
And I know I dont  
Have any time to burn  
Come on

They follow me home, disturbing my sleep  
But Ill find a place, A place where they cannot find me  
Maybe Im lost, and maybe Im scared  
But too many times Ive closed the doors behind me

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies Ive heard  
Had a life but I cant go back  
Cant do that, it will never be the same again  
And I know I dont  
Have any time to burn

Leave it all behind,  
Cross the borderline,  
Face the truth, dont have any time to  
Have any time to burn

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies Ive heard  
Had a life but I cant go back  
Cant do that, it will never be the same again  
Gotta go, cause I know I dont,  
Have any time to burn

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies Ive heard  
Had a life but I cant go back  
Cant do that, it will never be the same again  
And I know I dont  
Have any time to,  
Have any time to burn  
Come on
