

The Rembrandts, Call Me

We both know you and I, have been through harder times
But now your silence seems, a very different kind
It feels like I've been dyin', just to hear your voice again
CALL ME..CALL ME-CAN'T YOU HEAR ME CRYIN'?
CALL ME..CALL ME-PLEASE DON'T LEAVE ME HANGIN' ON
So maybe you were right, and maybe I've been wrong
Why did I have to go, and wait it out so long?
But I didn't mean to hurt you-If you could only feel my pain

(CHORUS)

Now I can't speak for you, but I wish you'd talk to me
How difficult can this one conversation be?

(CHORUS 2x)

Call me

Please don't leave me...hangin' on

Call me

Call me

Call me
