

# The Rolling Stones, Depending On You

Your fingerprints in the dark  
Your past and present tangle up in my arms  
Our secrets sealed in our scars  
Sharing a smoke on the steps of a bar  
I was convinced I had your heart in my hands  
I was making love into our different plans

Now she's giving my loving to somebody new  
I invested the game but I lost like a fool  
Now I'm too young for dying and too old to lose  
'Cause I was depending on you, yeah  
'Cause I was depending on you

It's time to harden my shells  
The toughest part is I know you too well  
Now I'm just a star you tell  
[?] the truth [?] you never felt  
You steal the spirit right out of a man  
Now you're working on him and you don't give a damn

Now she's giving my loving to somebody new  
I invested the game but I lost like a fool  
Now I'm too young for dying and too old to lose  
'Cause I was depending on you, yeah  
'Cause I was depending on you

Now she's giving my loving to somebody else  
She threw me down like a book off the shelf  
Now I'm too young for dying and too old to lose  
'Cause I was depending on you  
'Cause I was depending on you

Depending on you  
Yeah, depending on you  
Ayy, I was depending, relying on you  
I was depending, depending on you  
I was depending on you
