

# The Rolling Stones, Do You Really Think I Care?

Here I come...

Do you think I could ever care  
'Bout a girl, who's never there?  
Do you think I could ever care  
'Bout a girl who's never there?  
I saw her on the subway  
Saw her on the D-train  
Saw her in the afternoon  
After all the Giants' games  
Saw her on the freeway  
Saw her on a highway  
Gimme a break, I need a Yellow Cab  
Help me get outta this rain  
Do you think I could ever care  
'Bout a girl who's almost never there?  
Do you think the clothes she wears  
Would change my mind  
Or turn my hair?  
I saw her on a freeway  
Saw her on a A-train  
Saw her hangin' out  
On 52nd and Broad  
Saw her on a highway  
Saw her on a skyway  
Ahhhh, need a Yellow Cab, Ronnie  
Let me get outta the rain  
Yeah.....g'head  
Good job  
Yeah!  
I saw her on a highway  
On a D-train  
I saw her eatin' a pizza  
On 75th and Broadway  
Saw her on a subway  
On a biplane  
Ahh, I'm getting tired o' this shit  
I need a Yellow Cab  
Help me get outta this rain  
Do you think I could ever care  
'Bout a girl who's almost never there?  
Do you think .....could ever care  
'Bout a girl who cares about the...the clothes she wears?  
Do you think I could ever care  
'Bout a girl that even dyes her hair?  
The song  
Do you think  
Whooo  
Oh no  
Whooo  
Ohhh, do you think I would really care  
'Bout a woman.....who's never there?  
Do you think I'd ever care  
'Bout a woman....the clothes she wears?  
'Bout a girl who's hardly ever there?  
Whooo! Whooo!  
Well, that's alright  
Whooo
