

# The Rolling Stones, Have you seen mother

Have you seen your mother, baby, standing in the shadow?  
Have you had another, baby, standing in the shadow?  
I am glad I opened your eyes.  
The have-nots would have tried to freeze you in ice.  
Have you seen your brother, baby, standing in the shadow?  
Have you had another, baby, standing in the shadow?  
But I was just passing the time.  
I'm all alone, and would you give all your sympathy to mine.  
Tell me a story about  
how you adore me,  
how we live in the shadow,  
how we see through the shadow,  
How we glimpse through the shadow,  
how we tell the shadow,  
how we hate the shadow  
and how we love the shadow alive.  
Have you seen your lover, baby, standing in the shadow?  
Has he had another, baby, standing in the shadow?  
Baby, where have you been all your life?  
Talkin' about all the people who would try anything twice.  
Have you seen your mother, baby, standing in the shadow?  
Have you have another, baby, standing in the shadow?  
Well you take your choice at this time,  
The brave old world or the side of depth of death's all decline, all the crime
