

# The Rolling Stones, Honest Man

Well there's a hole in my chest  
Where my heart was  
The body refuses to die  
And the rain's coming down  
The night wont end  
It looks like it's set for the night

There's a train pullin' in at the station  
And its wheels gonna take me home  
When love walks in  
And love walks out  
I'm movin' to the danger zone

Well I wont breathe a word about it  
Cross my heart and hope to die  
I give you all the love  
In this mighty world  
Stand up and testify

I'm a' honest man  
I'm a' honest lover  
Stand by my word  
Don't know no other

I'm a' honest man  
I'm a' honest lover  
Don't tell my friend  
Don't blow my cover

Now there's some wild talkin' innuendo  
An' some nasty nail-biting games  
When the sun comes up  
Look me right in the eye  
And tell me you don't feel ashamed

Well, I won't breathe a word about it  
Cross my heart and hope to die  
When love walks out  
And love walks in  
The fall-man is gonna cry

I'm a' honest man  
I'm a' honest lover  
Don't tell my friend  
Don't blow my cover

I'm a' honest man  
I'm a' honest lover  
Don't tell my friend  
Don't blow my cover

Now there's a hole in my chest  
Where my heart was  
And nothing's gonna stop the pain  
When the train pull out  
The night comes in  
Thinkin' of me once again

And I wont breathe a word about it  
I know I'm gonna take the blame  
Give you all the love  
In this mighty world

If you just let me clear my name

I'm a' honest man  
I'm a' honest lover  
Don't tell my friend  
Don't blow my cover

I'm a' honest man  
I'm an' honest lover  
Tell my friend  
Don't know no other

Yeah  
Uh-huh  
Yeah  
Uh-huh  
Yeah

C'mon, c'mon  
C'mon, c'mon  
C'mon, c'mon

Mmh-hmm  
Uh-huh  
Uh-huh  
Mmh-hmm  
Mmh-hmm  
Uh-huh  
Uh-huh  
Mmh-hmm...
