

# The Rolling Stones, I`ve got the Blues

As I stand by your flame  
I get burned once again  
Feelin' low down, I'm blue  
As I sit by the fire  
Of your warm desire  
I've got the blues for you, yeah  
Every night you've been away  
I've sat down and I have prayed  
That you're safe in the arms of a guy  
Who will bring you alive  
Won't drag you down with abuse  
In the silk sheet of time  
I will find peace of mind  
Love is a bed full of blues  
And I've got the blues for you  
And I've got the blues for you  
And I'll bust my brains out for you  
And I'll tear my hair out  
I'm gonna tear my hair out just for you  
If you don't believe what I'm singing  
At three o'clock in the morning, babe, well  
I'm singing my song for you
