

The Rolling Stones, It Should Be You

She's sweet and tender, but I remember
The girl I once knew, made me feel so blue
She loves me madly, I treat her badly
'Cause girl, it should be you, it should be you
It should be you, it should be you...

I went all wrong, when you were gone
It seems ashamed, but I'm to blame
She loves me madly, I treat her badly
'Cause girl, it should be you, it should be you
it should be you, it should be you...

What can I do to win her back
She kisses me but it's not the same

I'm broken hearted, since we parted
I wanna pick up, from where we started
She loves me madly, I treat her badly
'Cause girl, it should be you, it should be you
It should be you, it should be you...
