## The Rolling Stones, It Should Be You

She's sweet and tender, but I remember The girl I once knew, made me feel so blue She loves me madly, I treat her badly 'Cause girl, it should be you, it should be you It should be you, it should be you...

I went all wrong, when you were gone It seems ashame, but I'm to blame She loves me madly, I treat her badly 'Cause girl, it should be you, it should be you...

What can I do to win her back She kisses me but it's not the same

I'm broken hearted, since we parted I wanna pick up, from where we started She loves me madly, I treat her badly 'Cause girl, it should be you, it should be you...
