

The Rolling Stones, Shang A Doo Lang

Shang a doo lang, shang a lang doo lang
Shang a doo lang, shang a lang doo lang
Shang a doo lang, shang shang a doo lang
shang a doo lang, shang a lang doo lang

Well you tell me, that he really loves me
I know he told me, that he really wants me
But what he don't know, is that I love him too

He said he'd seen me, goin' out with Charlie
I only did it, to make him really want me
You say you'll get me, but I'll get him too

Shang a doo lang, shang a lang doo lang
Shang a doo lang, shang a lang doo lang
Shang a doo lang, shang shang a doo lang
Shang a doo lang, shang a lang doo lang

But now I think the time is right
So let him take me out tonight

I really love him, yes I really love him
I really want him, yes I really want him
Yes I love him, tell him I love him too
Yes I do, yes I do, yes I do, yes I do
