The Rolling Stones, Shang A Doo Lang

Shang a doo lang, shang a lang doo lang Shang a doo lang, shang a lang doo lang Shang a doo lang, shang shang a doo lang shang a doo lang, shang a lang doo lang

Well you tell me, that he really loves me I know he told me, that he really wants me But what he don't know, is that I love him too

He said he'd seen me, goin' out with Charlie I only did it, to make him really want me You say you'll get me, but I'll get him too

Shang a doo lang, shang a lang doo lang Shang a doo lang, shang a lang doo lang Shang a doo lang, shang shang a doo lang Shang a doo lang, shang a lang doo lang

But now I think the time is right So let him take me out tonight

I really love him, yes I really love him I really want him, yes I really want him Yes I love him, tell him I love him too Yes I do, yes I do, yes I do
