

# The Rolling Stones, Will You Be My Lover Tonight

Will you, will you, will you be my lover tonight?  
Will you, will you, will you hold me tight?  
I've been waiting such a long long time  
To here you say that you'll be mine  
Will you, will you, will you be my lover tonight?

Tell me, tell me, tell me, you want me too  
Tell me, tell me, tell me, I need you  
When I saw you over there  
What could I do but stand and stare  
Will you, will you, will you be my lover tonight?

I don't pretend to know the reason why  
I love you so don't ever make me cry, no no no no no

Give me, give me, give me your whole heart  
Promise, promise, promise when we're apart  
You'll be faithful, you'll be true  
Just remember, I love you  
Will you, will you, will you be my lover tonight

I'll be faithful, I'll be true  
Just remember, I love you  
Will you, will you, will you be my lover tonight?
