What you say, mr loveable, hey, mr love-lovelable
What you say, mr got it all, hey, mr got it got it all
We got the disco love, so fun and colorful
It's never winter when stunning summer all you know
You take me back in time, to 1979
We'll be at the beaches, baby everybody staying alive

Oh is it love that's in the air,
Baby, baby, baby
Over the cameras drinking here,
Baby, baby, baby
Boy you make me feel so fine!
Boy you make me feel so good!
Boy you make me feel so right!
Baby, baby, baby
Oh is it love that's in the air,
Baby, baby, baby

What you say, mr doable, hey, mr do-doable
Got me wind til the physical, hey, the physi-physical
We got the disco love, so fun and colorful
It's never winter when stunning summer all you know
You take me back in time, to 1999
We heat the DJ playing Hit Me Baby One More Time

Oh is it love that's in the air,
Baby, baby, baby
Over the cameras drinking here,
Baby, baby, baby
Boy you make me feel so fine
Boy you make me feel so good
Boy you make me feel so right
Baby, baby, baby
Oh is it love that's in the air
Baby, baby, baby
