

The Saturdays, When Loves Takes Over

It's complicated, it always is
That's just the way it goes
Feels like I've waited so long for this
I wonder if it shows?

Head underwater, now I can't breathe
It never felt so good
And I can feel it coming over me
I wouldn't stop it if I could

When love takes over,
You know you can't deny
When love takes over,
There's something here tonight

Give me a reason, I gotta know
Do you feel it too?
Can't you see me here on overload?
And this time I blame you

Looking out for you to hold my hand
It feels like I could fall
Love me right like I know you can
We could lose it all

When love takes over,
You know you can't deny
When love takes over,
There's something here tonight

Tonight, tonight, tonight, tonight /4x

Cause I'll be loving you all time
Cause I want to make it right with you

When love takes over
You know you can't deny
When love takes over,
There's something here tonight
