The Script, If You Could See Me Now

Oh if you could see me now (Oh if you could see me now)

It was February fourteen, Valentine's Day The roses came, but they took you away Tattooed on my arm is a charm to disarm all the harm Gotta keep myself calm but the truth is you're gone And I'll never get to show you these songs Dad, you should see the tours that I'm on, I see you standing there next to Mom Always singing along, yeah arm in arm And there are days when I'm losing my faith Because the man wasn't good he was great He'd say music was the home for your pain And explain, I was young, he would say "Take that rage, put it on a page Take the page to the stage Blow the roof off the place" I'm tryna make you proud Do everything you did I hope you're up there with God saying that's my kid

I still look for your face in the crowd Oh if you could see me now (Oh if you could see me now) Would you stand in disgrace or take a bow Oh if you could see me now (Oh if you could see me now)

If you could see me now would you recognise me Would you pat me on the back or would you criticise me Would you follow every line on my tear stained face Put your hand on a heart that's was cold as the day you were taken away I know its been awhile but I could see you clear as day Right now, I wish I could hear you say I drink too much and I smoke too much dutch But if you can't see me now that shit's a must You used to say I won't know I will until it cost me Like I won't know real love till I've loved then I've lost it And if you've lost a sister, someone's lost a mom And if you've lost a dad, then someone's lost a son And they're all missing now, and they're all missing now So if you get a second to look down at me now Mum, Dad, I'm just missing you now

I still look for your face in the crowd Oh if you could see me now Would you stand in disgrace or take a bow? Oh if you could see me now

Oh.. Oh..
Would you call me a saint or a sinner?
Would you love me a loser or winner?
Oh.. Oh..
When I see my face in the mirror
We look so alike that it makes me shiver

I still look for your face in the crowd Oh if you could see me now Would you stand in disgrace or take a bow? Oh if you could see me now I still look for your face in the crowd Oh if you could see me now Would you stand in disgrace or take a bow? Oh if you could see me now

Oh..

You could see, you could see me now (You could see, you could see me now)
