

The Sins Of Thy Beloved, Lake Of Sorrow

Lake Of Sorrow

You burned me down
to hold my eyes at the lake of sorrow
???

See the shadow of my obsession
???

I feel this lost ??? away, away

In this life I feel lost for you

All those times

I've been praying for your love

In your eyes

I see love and innocence

But I still I do not know

and I'm loving you

still I'm trying to touch

are you loving me

do you want to do

realize be now and dance

come on follow my words then we will fly
