

# The Sleepy Jackson, Work Alone

Mia mia. Mia mia ma me arh ohoh babee.  
Ma ma mo he ma hoo he deladeloo  
Lately... I like alone on the show.  
I don't get you on my mind.  
I get on the thought of trying to get you off my mind.

Lately... Mia mia ma me arh ohoh babee.  
Ma ma mo he ma hoo he deladeloon ooh.  
Lately... I like alone.  
I don't get you on my mind.  
I get on the thought of trying to get you off my mind.

Lately... It's true, they tried to get me down with the morning weather.  
You don't get clever, you don't see.  
If you do not work early in the morning weather.  
You don't get clever, you don't clever. You don't see...
