

# The Smashing Pumpkins, Blue

Hey Blue, all your love is strange  
Come out, with all those crazy names  
So true  
When you lie

For you, Blue

Right or wrong  
I belong  
Right or wrong

Hey Blue, where'd you run to now  
Hey Blue, miss you since they found you out  
I've been waiting such a long time  
For your smile

For you, Blue

I lay with you, this velvet morning  
Stay with me, for a while  
Where we run to, is up to you  
Just stay with me, for a while
