

# The Smashing Pumpkins, Bury Me

(Boys, let's do it)

Bury me in love  
Bury me in love

Shared your kisses, take your heart  
Buried me and it hurts

I love my sister so  
She don't smother me  
I played the spades I know  
I'm a Jack of all trades  
Would you bury me?

Once you see her  
One inside (hide, hide)  
Some things you just can't hide  
If you see her  
Tell me why (hide, hide)  
Why won't she come outside?

If you see her  
Tell me why (hide, hide)  
Why won't she come outside?  
Once you see her  
One inside (hide, hide)  
Some things you just can't hide

She will bury me  
She will bury me
