

The Smashing Pumpkins, By Starlight

By starlight, I'll kiss you,
And promise to be your one and only.
I'll make you feel happy,
And leave you to be lost in mine.
And where will we go, what will we do?
Soon said I will know.

And are you just like me?
Dead eyes, dead eyes, are you just like me?
Her eyes, her eyes were as vacant as the seas.
Dead eyes, dead eyes, are you just like me?
And all along, we knew we'd carry on just to belong.

By starlight, I know you,
As lovely as a wish granted true.
My life has been empty, my life has been untrue,
And does she really know, who I really am?
Does she really know me at last?

And are you just like me?
Dead eyes, dead eyes, are you just like me?
Her eyes, her eyes were as vacant as the seas.
Dead eyes, dead eyes, are you just like me?
And are you just like me?
And are you just like me?
And are you just like me?
