

The Smashing Pumpkins, Crush

You wrap your arms around
A feeling that surrounds
Like liquid peppermint
Just taste the drinks that she served

And this feeling shivers down your spine
Love comes in colors I can't deny
All that matters is love, love
Your love

You're sleeping in your bed
Just rest your weary head
Maybe you shouldn't care
Throw away those dreams and dare

And this feeling shivers down your spine
Love comes in colors I can't deny
All that shivers is love, love
Your love
Your love
Your love
