The Smashing Pumpkins, Crush

You wrap your arms around A feeling that surrounds Like liquid peppermint Just taste the drinks that she served

And this feeling shivers down your spine Love comes in colors I can't deny All that matters is love, love Your love

You're sleeping in your bed Just rest your weary head Maybe you shouldn't care Throw away those dreams and dare

And this feeling shivers down your spine Love comes in colors I can't deny All that shivers is love, love Your love Your love Your love
