The Smashing Pumpkins, Drown

No matter where you are I can still hear you when you drown You've traveled very far Just to see you I'll come around When I'm down All of those yesterdays Coming around

No matter where you are
I can still hear you when you dream/scream
You traveled very far
You traveled far, like a star
And you are
All of those yesterdays
Coming around

Is it something someone said? Was it something someone said?

Yesterday the sky was you And I still feel the same Nothing left for me to do And I still feel the same

I wish, I wish I could fly I wish, I wish I could lie I will, I will try I will, I will Goodbye
