The Smashing Pumpkins, Heavy Metal Machine

If I were alive If I were real Would you survive What would you feel Heavy metal Heavy metal machine Heavy metal machine As sentimental As our broken dreams

Let me die for rock n' roll Let me die to save my soul Let me die let me die Rock n' roll Let the world forgive the past Let all the girls kiss the boys at last Let me go let me go Rock n' roll Heavy metal Heavy metal machine Heavy metal A heavy metal machine We're the metal In their metal machines Heavy metal Heavy metal machine

If I were dead Would my records sell Could you even tel Is it just as well Heavy metal Heavy metal machine It's elemental To all the rust it brings Heavy metal Heavy metal

Let me die for rock n' roll Let me die and save my soul Let me go let me go Rock n' roll Let the world forgive the past Let all the girls kiss the boys at last Let me go let me go Rock n' roll Heavy metal Heavy metal machine Heavy metal A heavy metal machine We're the metal In their droning schemes Heavy metal Heavy metal machine

Will I survive Is it up to me Could you understand That it's not yours to keep
