

# The Smashing Pumpkins, La Dolly Vita

I lay my head on her bosom  
To cry myself to sleep  
I see no greater wisdom  
Than she has given me

La Dolly Vita  
Sweet as true love  
La Dolly Vita  
Cool as ice cream  
Cool as ice cream

You hear a lot of visions  
You can't even stop  
Can't see what you're missing  
Spinning like a top

Fade away I want to see her  
Fade away I want to see her  
I only want to meet her

La Dolly Vita  
True as blue sky  
La Dolly Vita  
Cool as ice cream  
Cool as ice cream

Take it all the way down  
Forsake what you have now  
Take it all the way down
