

The Smashing Pumpkins, Love

To my mistakes, to my mistakes of cowardice.
She shimmy shakes, the jimmy jakes of consequence.
Born of the airs and dues, my airs of madness do declare.
That it's ok; it's love.

It's what you wanted to see.
It's who you wanted to be.
For what you needed to need, she'll make it up.

Love, love. It's who you know. [x3]
Love, love.

Machine gun blues, her vacant rush is so screwed.
I'm unaware, lost inside your visions.
I got mine too over; I got mine and I got you.
'Cause I know you; you're love.

It's what you wanted to see.
It's who you wanted to be.
For what you needed to need, she'll make it up.

Love, love. It's who you know. [x3]
Love, love.

And when I lost my mind, I knew I was in for a long ride.

Can I look up to you as you look down on me?
Can I feel in to you as you felt in to me?
I can't help what you see.
I can't help but to be.
For what I needed to need, she'll make it.

Love, love. It's who you know. [x5]
Love, love.
