

The Smashing Pumpkins, Plume

Oh yeah, another day
Oh yeah, gotta play
What it is, it never was
I don't care to give enough

My boredom has outshined the sun, it's so dumb
I just want to have some little fun...

Oh yeah, another day
Oh yeah, what a waste
What it is, it never was
I don't care or give a fuck

My boredom has outshined the sun, it's so dumb
I just want to have some little fun...

Bring me down
Bring me down
