

# The Smashing Pumpkins, Slow Dawn

Midnight people  
Rushing for a downtown train  
Watching and wasting away

Their hearts beat free  
Cool frequency  
And I don't know what it is

I'm gonna run the slow dawn  
Seeking sigh, oh so faint  
I'm gonna run the slow dawn awake

It's blessed undone  
The songbirds all around  
And i'm not sure what it is  
But i'm sure that i could give it  
Awake the slow dawn

Slow dawn moves by my side  
Teach your silent sleep  
Slow dawn

The midnight people  
Washing down here, wasting way  
They're gonna run the slow dawn awake  
The slow dawn awake  
The slow dawn awake  
The slow dawn awake
