

The Smashing Pumpkins, Soma

Nothing left to say,
And all I've left to do is run away from you
And she led me on, down with secrets I can't keep

Close your eyes and sleep, don't wait up for me
Hush now don't you speak... to me

Wrap my hurt in you
And took my shelter in that pain
The opiate of blame is your broken heart, heart, your heart
So now I'm all by myself as I've always felt
I'll betray my tears to anyone caught in our ruse of fools
One last kiss for me, yeah
One last kiss good night...

Didn't want to lose you once again, didn't want to be your friend
Fulfill a promise made of tin and crawled back to you
Now I'm all by myself as I've always felt
And I'll betray myself to anyone, lost, anyone but you...

So let the sadness come again
On that you can depend on me, yeah
Until the bitter, bitter end of the world, yeah
When god sleeps in bliss

And I'm all by myself, as I've always felt
And I'll betray myself to anyone...
