

# The Smashing Pumpkins, Soma

Nothing left to say,  
And all I've left to do is run away from you  
And she led me on, down with secrets I can't keep

Close your eyes and sleep, don't wait up for me  
Hush now don't you speak... to me

Wrap my hurt in you  
And took my shelter in that pain  
The opiate of blame is you broken heart, heart, your heart  
So now I'm all by myself as I've always felt  
I'll betray my tears to anyone caught in our ruse of fools  
One last kiss for me, yeah  
One last kiss good night...

Didn't want to lose you once again, didn't want to be your friend  
Fulfill a promise made of tin and crawled back to you  
Now I'm all by myself as I've always felt  
And I'll betray myself to anyone, lost, anyone but you...

So let the sadness come again  
On that you can depend on me, yeah  
Until the bitter, bitter end of the world, yeah  
When god sleeps in bliss

And I'm all by myself, as I've always felt  
And I'll betray myself to anyone...
