

# The Smashing Pumpkins, Sweet Sweet

Sweet, sweet, sweet, sweet little agony  
I don't know just where you've been  
But I'll take, take, take all that you have for me  
In sin, Where are we going?

And they all want you to change X2

And the sad, sad, sad, all the sad faces drown  
In this town, where are we going?

And they all want you to change  
Where are we going?  
And they all want you to change  
Where are we going?
