The Smashing Pumpkins, Sweet Sweet

Sweet, sweet, sweet little agony I don't know just where you've been But I'll take, take, take all that you have for me In sin, Where are we going?

And they all want you to change X2

And the sad, sad, sad, all the sad faces drown In this town, where are we going?

And they all want you to change Where are we going? And they all want you to change Where are we going?
