

# The Smashing Pumpkins, Tristessa

Pledged your faith, my heart embraced  
Struggle to renew  
Blurry mind so hypnotized  
Fast enough who

Wonder  
Where you are  
Tristessa

Soul takes soul as I take eye  
I will wait for you  
What you believe, you'll wish to receive  
I won't believe in you, to you

Hang on  
To your life  
Tristessa

I love you true  
Surely I do  
I love you true  
Surely I do  
Surely I do  
Surely I do (no)

Do you ever wake up and find yourself alone?  
Do you ever wake up far from home?  
What you believe, you'll wish to receive  
I won't believe in you
