

# The Smile, Open the Floodgates

Don't bore us  
Get to the chorus  
And open the floodgates  
We want the good bits  
Without your bullshit  
And no heartaches

Someone lead me  
Out the darkness  
Out the darkness

With no tricks and  
No struggling  
Then no one gets hurt  
We▯absorb▯you  
We▯absolve you  
Throw your▯rubbish away

Someone lead▯me  
Out the darkness  
Out the darkness  
Someone lead me  
Out the darkness  
Out the darkness
