

# The Stanley Brothers, In Despair

You made me love you, you made me want you  
And now I need you all the time  
My heart is sad and I'm so lonely  
Each night and day you're on my mind

You broke me heart my little darling  
When I called for you, you had another there  
But a broken heart will keep on crying  
I know you know, I'm in despair

You made me forget of all the others  
You made me forget of all the past  
And I thought sweetheart you really loved me  
My friends told me it would never last
