

The Starting Line, Playing Favourites

I guess the most that I can do is make a call and tell you the truth.
Sing the words, a melody and hope that you'll believe me.
Here's another song for you so this one this one makes 2.
I still don't know where to begin.
I'll just leave it at this.

Chorus

I'm sure you always feel my eyes on you.
But I hope that you will never feel unwanted.

Wait for me to move out west.
It's okay if you don't
I hope you know it's my favorite thing about the west coast.
I wish I stayed, I hope you wait.
So I here I am counting down the days till California comes.

This is the least that I can do, you know I'm bad at calling you.
The best way I can extend, the lonely words "I miss you";
I say it but I'm sure you knew you're what I look most forward to
Coming back to where I've been, I'll just leave it at this.

Chorus x2

till California comes...
