

The Story So Far, Empty Space

All that I know
Is your space is empty
It's buried below
The stress and the envy
All the places I go
It still hasn't left me
I hated it then
And now it consumed me

I dwell on it nightly
Tread swiftly and lightly
Make up the lost ground
And see what you don't see
All the questions aside
I asked and you lied
And now my hands are tied

All I can show
Is absence from your life
That I can't control
It's all that I get right
Keep paying the toll
I know that it seems like
I'm always upset
I know it seems like I'm always upset

(I know it seems like I'm always upset)

All that I know
Is your space is empty
It's buried below
It still hasn't left me
All that I know
Is your space is empty
It's buried below
It still hasn't left

I dwell on it nightly
Tread swiftly and lightly
Make up the lost ground
And see what you don't see
All the questions aside
I asked and you lied
And now my hands are tied

Dwell on it nightly
Tread swiftly and lightly
Make up the lost ground
And see what you don't see
All the questions aside
I asked and you lied
And now my hands are tied
